

JOURNAL

OFFICE OF LEGISLATIVE COUNSEL

Wednesday - 16 August 1961

25X1 1. [] Telephoned Sam Scott to confirm a
brief meeting with the Director at three o'clock on 22 August 1961.

25X1 2. [] The Director appeared before the Joint
Committee on Atomic Energy for the regular annual briefing. See
Memorandum for the Record.

25X1 4. [] In response to Congressman Mahon's request
for a briefing on the estimate concerning Soviet attack capability. I
informed Sam Crosby that the Director expected to be out of the city on
Thursday and Friday and was committed to other appointments on next
Monday. I suggested that the briefing might be conducted by either
General Cabell or Mr. Amory and Crosby indicated that this would be
perfectly acceptable. Crosby will contact us when he has a firm date.
